

ANDREAS KARKI - Asia-Pacific

A confident, accomplished, and experienced leader in security management, serving as a Director, Manager, Consultant, and Advisor to multinational corporations across Europe, the Middle East, Africa, and Asia.

Highly skilled in directing and coordinating a broad range of security operations, including physical security, risk assessment, crisis management, and executive protection, all requiring tailored and strategic approaches. Managed large, multi-cultural teams and multi-million-dollar budgets, with a focus on personnel training and implementing robust security measures for corporate staff and high-net-worth individuals.

Industry Expertise: Security & Risk

Experience Highlights: A recognized industry leader and winner of the 2023 Southeast Asia Outstanding Security Performance Awards (OSPAs) at the Asia Security Exchange/ASIS International event in Bangkok, Thailand. Further recognized in 2024 as part of the Outstanding Security Team at the Southeast Asia OSPAs, organized by ASIS Singapore.

Certifications:

- CBCI – Certified Business Continuity Manager
- CRMP – ISO 31000 Risk Management Professional
- CATS – Certified Anti-Terrorism Specialist
