

MICHAEL SYPSOMOS - Thailand & USA

An internationally recognized Project and Business Coach, author, and change agent with four decades of practical experience. Michael is the founder of The Mentor Group International, a renowned Project Management company. He is a pioneer and passionate proponent of Project Management, helping executives and business owners organize and manage their projects and lives, transforming them into the best versions of themselves.

Experience Highlights:

- **Industry Expertise:** Extensive experience as a Project Coach and Executive for major international companies such as Chevron, Unocal, CITGO, PTTEP, Aramco, and Total.
- **Project Management:** Expertise in turning around challenged projects, saving multimillion dollars and energizing teams in many industries, such as Energy, Banking, IT, among others. Proven track record in creating successful Project Management Offices (PMOs) and implementing award-winning megaprojects.
- **Recognition:** Received the prestigious International 2003 PMI Project of the Year Award Runner Up for Unocal's North Pailin Gas Development project.
- **Leadership:** Co-founded and served as the past president of the PMI Thai Chapter, supporting the development of project management practices in Southeast Asia. Contributed to the improvement of the Thai education system and created impactful youth programs.

Certifications:

- Certified PMP (Project Management Professional)
- Certified Master NLP Practitioner
- Certified Executive Coach

Mission Statement:

"Empowering business owners and individuals alike to transform their companies and projects and live a fulfilling and abundant life."
